INFORMATION DISCLOSURE STATEMENT

The Commissioner of Patent and Trademarks
Washington D.C. 20231

Sir:

This Information Disclosure Statement is being submitted for the previously filed application identified above.

The Applicant hereby submits patents, publications, or other information of which they are aware, which they believe may be material to the examination of the above referenced application and in respect to which there may be a duty to disclose in accordance with 37 C.F.R. §1.56.

The disclosure contained herein is not intended to constitute an admission that any patent, publication, or other information referred to is "prior art" for this invention unless specifically designated as such.

In accordance with 37 C.F.R. §1.97 (b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined by 37 C.F.R. §1.56 exists.

LISTING AND EXPLANATION OF INFORMATION ITEMS

A list of patents and publications is set forth here and on the attached Form PTO-1449. The list is divided into U.S. Patents, Foreign Published Applications or Patents, and other printed publications so that document identification data prescribed in 37 C.F.R. §1.98 may be conveniently set forth.
